**Display on wall - Dimensions: 18" x 24"**  
**Table display - Dimensions: 8.5" x 11"**

Item	Price
Airbrush Board (wall)	\$7
Airbrush Board Small (table)	\$5.50

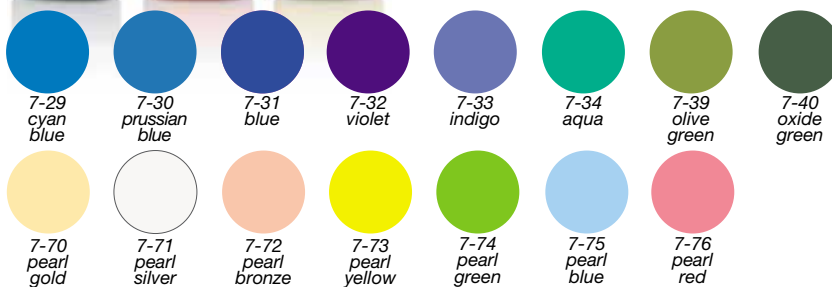

Make these simple tips part of your daily routine

1. Every morning, remove nozzle cap & clean to prevent paint buildup. make sure the small hole is thoroughly cleaned.
2. Use your fingernail to remove any excess paint that may be stuck at the needle tip.
3. Make sure the needle is in full forward position. This prevents air from getting into the nozzle. To do this, loosen the needle nut, then use your finger to tap the end of the needle. Make sure the needle is completely forward. Remember to re-tighten the needle nut.
4. Always keep one paint bottle attached to gun to prevent drying.
