why soak?

soaking instantly revives & refreshes tired aching feet & hands. Soaking opens the pores to prepare the body for absorption of our nourishing natural ingredients.

exfoliate

STEP 2

why exfoliate?

Exfoliation removes the dead skin cells that accumulate on the top layer of the epidermis. Removing the dead skin cells allows the skin to breathe, & leaves it feeling soft & supple.

STEP 3

why soothe?

Our Botanical Shea Butter Mint Mask is formulated with detoxifying clays that draw out toxins & other impurities from the pores.
