**BUY WHAT YOU NEED NOT  
WHAT YOU CAN AFFORD**

*Don't let limited budgets stop you from  
acquiring the actual equipment or software you  
need to meet your business demands. Why settle  
for a lower priced model or give up the feature  
you really need? Let our financing offers help you  
achieve your full business potential.*

### FINANCING/LEASING OPTIONS

Alfa works closely with financing/leasing companies Vista Pay, Quick Spark, and Navitas, to assist salon, barber and spa owners purchasing equipment with a minimum purchase of \$5,000 based on the information from your credit application. Terms can range from 2-7 years, with a variety of purchase options available. They establish contracts tailored to meet the needs of each company based on the application, credit score and financial information. After completing your application, you will be contacted within 48-72 hours with an approval amount. Financing can offer benefits for businesses like tax advantages, cash flow and more. Financing requires a minimal down payment to acquire equipment, which allows the lessee to use their cash elsewhere in their business.
